1 Peter

Lesson 1, Overview

3. Why was it written? What was the author's purpose? If you have not yet seen it, it is found in 1 Peter 5:12. Explain it the best you can. (This is a vital question; the answer determines how you interpret the meaning of the author's message.)

4. What is 1 Peter all about?

a. To begin answering this question, look for key repeated words and/or phrases. Read through 1 Peter again, looking for and marking in a distinctive way each of the following words. Use a specific color or a specific symbol for a specific word. As you mark each word, also mark its different forms.

grace

glory

salvation

suffering (trial, testing)

b. In a few words, summarize what you think 1 Peter is all about. (If you have trouble doing this, note the main teaching of each chapter, and then from those chapter themes, summarize what 1 Peter is all about.)

**LIVING
IT OUT**

Since you spent quite a bit of time TAKING IT IN, we'll keep LIVING IT OUT very simple. However, there are foundations of truth that must be established before we attempt to build something that will last and act as a secure shelter from the false teaching that seeks to conquer our minds.

Therefore, one question: What have you seen in 1 Peter that quickens your interest? Why?
